HERNDON LAUNCHES RESTAURANT DIRECTORY

Herndon, VA (January 11, 2006) -- The Promote Herndon committee, a task force comprised of volunteer citizens committed to promotion of the Town of Herndon as an ideal place in which to live, work and visit, has launched a first-ever Restaurant Map and Directory.

The directory features 112 restaurants located throughout the Town's business and historic areas. From casual to fine dining, from fast food to ethnic specialty restaurants, all are featured in the 4-color, display-sized directory. A comprehensive map of the Town pinpoints the exact location of each featured restaurant in relation to Herndon's parks, shopping centers and major thoroughfares.

"Residents and visitors alike to the Town of Herndon are always amazed at the vast selection of restaurants available here – literally, something for every taste and every price range," said Connie Hutchinson, president of the Herndon Dulles Visitors Center. "The new Restaurant Map and Directory provides information on all of our wonderful dining establishments in one convenient place."

The Restaurant Map and Directory will be distributed via local hotels, attractions, public facilities and the HR departments of local businesses. Individuals may also pick up copies at the Herndon Dulles Visitors Center, located in the old train depot on Town Hall Square. Establishments that would like multiple copies may contact the Town's Public Information Officer, Anne Curtis, at 703/435-6800 X2010 or via email at anne.curtis@herndon-va.gov.

The Town of Herndon was incorporated by the General Assembly of the Commonwealth of Virginia on January 14, 1879. Located in western Fairfax County, Herndon is the 3rd largest town in the Commonwealth and is home to more than 22,000 citizens. Businesses located within the Town of

Herndon, which range from high-tech enterprises to entrepreneurially-owned establishments, employ approximately 23,500 people.
